UMW members: remember to keep reading your books for the reading program. You may turn in your reading report to Barbara Ketron at any time, but it is important to have it in prior to the Pledge Service in November.

Barbara has a list of books for next year and is looking forward to ordering some new books soon.

CHRISTMAS CANTATA REHEARSALS
All singers are encouraged to join the choir as we are now practicing for Christmas on Wednesdays at 7 p.m. in the choir room during the first half or regular rehearsals. Listening CDs can be picked up in the hallway by the office at the information

SOUTH CAROLINA FLOODING AID
Please consider helping the flood victims in South Carolina. Below you will find information for creating Health Kits and Cleaning/Flood Buckets. For more information or to donate please visit www.umcor.org. All kits will be collected at Keith Church through November 2.

Cleaning Bucket - Value $65.00

Place items in a five-gallon bucket with re-sealable lid. Buckets from fast food restaurants or bakeries may be used if washed and cleaned; do not use buckets that have stored chemicals such as paint or pool cleaner; advertisements on the outside are acceptable.

  Plastic or wooden handle
- 18 cleaning wipes
  Handi Wipes or reusable wipes
  No Terry cleaning towels
  Remove from packaging.
- 7 sponges
  No cellulose sponges due to mold issues
  Remove from wrapper
- 5 scouring pads
  Remove from wrapper
  No stainless steel, Brillo pads, or SOS pads (nothing with soap built in)
- 50 clothespins

  Cotton or plastic
- 24-roll heavy-duty trash bags

  Remove from the box
- 5 dust masks
- 2 pairs kitchen dishwashing gloves
  Should be durable enough for multiple uses
  Remove from packaging.
- 1 pair work gloves
  Cotton with leather palm or all leather.

Assembly Directions
Place all liquid items in the bucket first. Place remaining items in the bucket, fitting them around and between the liquid items. Sponges, scouring pads, clothespins, and trash bags can be separated in order to fit all of the items in the bucket. Ensure the lid is closed securely.

Important Notes
All items must be new except for the actual bucket and lid.

All cleaning agents must be liquid and in plastic containers. No powders, please.

If you cannot find the requested size of a liquid item, use a smaller size. Including larger sizes of any item will prevent the lid from sealing.

If all of the items on the list are not included, please put a label on the bucket indicating what has been omitted.

Cleaning buckets are only used within the United States. They are not opened to verify the contents unless there is indication that some items have been omitted.
Health Kit – Value $12.00

Health kits provide basic necessities to people who have been forced to leave their homes because of human conflict or natural disaster. Health kits are also used as learning tools in personal hygiene, literacy, nutrition, and cooking classes.

Health Kit Materials

- 1 hand towel
  15 x 25 inches to 17 x 27 inches
  Kitchen, cleaning, and microfiber towels not acceptable.

- 1 washcloth

- 1 comb
  Comb needs to be sturdy and longer than 6 inches long
  No pocket combs or picks please
  Rattail combs and combs without handles are acceptable with a minimum of 6 inches of teeth.

- 1 metal nail file or nail clippers
  No emery boards, please

- 1 bath-size soap
  3 oz. and larger sizes only
  No Ivory or Jergens soap due to moisture content
  Do not remove from original packaging

- 1 toothbrush
  Adult size only
  Do not remove from original packaging

- 6 adhesive bandages
  ¾ inch to 1 inch-size
  Common household Band-Aids

- 1 plastic bag
  One-gallon size sealable bag only

- $1.00 to purchase toothpaste

Assembly Directions

Set the $1.00 for toothpaste aside to be included in a separate envelope. Lay out the hand towel flat on a table. Lay the washcloth flat in the center of the hand towel. Place all remaining items on top of the washcloth. Fold over the sides of the hand towel to cover all of the items. Fold over one end of the hand towel so that it covers all of the items. Grasp the bundle of items tightly and roll over the remainder of the hand towel tightly. Place the tightly rolled bundle in the plastic bag. Remove as much air as possible and seal the bag.

Important Notes

All items must be new. Do not wash any of the items as they will be considered used.

Please remove all packaging, unless otherwise specified.

All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items, nothing more.

Do not include any personal notes, money, or additional material in the kits. These things must be painstakingly removed and will delay the shipment.

UMCOR is now purchasing toothpaste in bulk to be added to health kits before shipping to ensure that the product does not expire before they are sent. Do not put single dollar bills in each kit. Collect all money for toothpaste and shipping, then place it in a separate envelope and send along with the kit donations.
